

Initial Publishing Email Invitation

SUBJECT : ATHLETES MAGAZINE Publishing Request

Head Coach and Program Director

I am a PhotoJournalist for ATHLETES MAGAZINE and we invite you to feature your club events, competitions and/or athletes in our specialized (title) Magazine.

We would like to set up a photoshoot session with your athletes and staff to be published in the magazine. If interested to be published, we will send you the details of the photoshoot.

This is a great opportunity for your club to advertise its programs to the community.

You can publish any of the following information :

- 1- Information about your academy, your programs, directors and coaches,
- 2- Your current and upcoming events and competitions,
- 3- Results of competitions, special mentions and awards,
- 4- Your logo to be added to the cover page (PNG file with transparent background),
- 5- Advertising your sponsors and supporters.
- 6- Any other information you would like to publish in the magazine.

Let me know a time when we can discuss this publishing opportunity further.

Sincerely,
