The only fee is for the photo session as per the attached Photoshoot Service Agreement.

Please fill and return the attached "Contact Information" sheet of all the Talents to be published.

Please forward your team members the text below, so we can get their article prior to the photoshoot.

We need about 15 to 30 Talents to complete the Exclusive Magazine. You can offer this opportunity to any Talents of any ages and any level.

This is a 64 pages magazine. We try to give all Talents a 2 page open spread. We will need a half page article about their Dreams, Goals, Challenges and Achievements.

We can create multiple issues of your Special Editions to include more talents, (for example a magazine for different team levels).

Look forward to publishing your Event, Academy and your Talents.
